DEUSTM 3100 Firefighter Bailout & Rescue Kit

The tools you need for hands-free bailout in a complete pocket sized rescue kit.

For superior, HANDS FREE bailout, nothing is faster, easier or safer than the DEUS 3100 Vertical Rescue System. Now, with the DEUS 3100 Firefighter Bailout & Rescue Kit, you have the DEUS 3100 and other tools needed to rescue yourself, another firefighter or civilians, all right at hand and ready to answer the call.

Each kit includes a DEUS 3100, 50 feet of DEUS 7.5 mm fire-resistant rope, and the innovative DEUS Firefighter Bailout Carry & Deploy System, providing a complete – and accessible – bailout and rescue package.

The DEUS Firefighter Bailout Carry & Deploy System (patent pending) puts everything right at hand for instant access when needed, yet out of the way when you don't. It includes a hip holster (left or right side), connecting gooseneck to protect the rope, and a lumbar rope pouch. The system attaches to any harness, inside or outside bunker pants, carries comfortably and deploys smoothly.

Use a DEUS 3100 Firefighter Bailout & Rescue Kit for hands-free bailout, rescue, rapid sequential evacuation, vertical positioning and fall restraint.

NOTE: additional items are required to be bailout and rescue "ready", including a harness, carabiners and an anchor, all sold separately.
