3100

Superior hands free bailout and rescue.

DEUS® 3100

Firefighter Bailout & Rescue System

For personal bailout, only the DEUS 3100 provides simple HANDS FREE operation both stop and go, has quadruple-redundant brakes and speed limiting technology to guard against free fall, operates in both directions without re-rigging, and allows simple rope replacement to accommodate both training and work. Pocket-sized and firefighter tough, the DEUS 3100 is available in complete bailout and rescue kits to support a wide range of uses. Nothing is faster, easier, safer or more versatile.

actual size

Hands free personal bailout And a whole lot more.

Hands Free

Operates fully hands free, stop or go, while protecting you from free fall.

Extra, Extra, Extra, Extra Safe

Four independent brakes provide extra safety, versatility and control: an always-active centrifugal brake, a control knob-activated drum brake, a hands-free self-adjusting figure-8, and a manual rope tailing brake for precise control.

Simple Operation

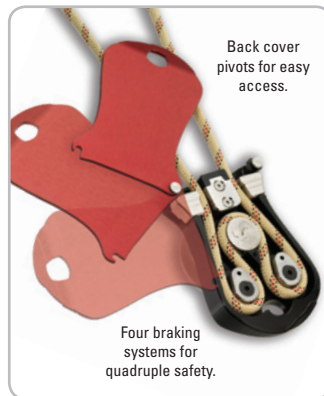

The oversized control knob is all you need for complete control, even with heavy gloves. Stop or go and change speed any time during descent.

Lightweight & Portable

Pocket-sized and just 0.9 kg (plus rope).

Built for Performance

Features a rock-solid case and professional grade construction.

Replaceable Ropes

Change out rope in seconds for training or various work needs.

Your All-in-One Rescue System

Use the DEUS 3100 for bailout, rapid sequential rescues, vertical positioning and edge restraint. Add 2-person pick-off and confined-space rescues with advanced training.

Uses Fire-Resistant DEUS Ropes

Certified for use only with 7.5 mm DEUS ropes. NFPA-certified and fire-, cut-, abrasion-, chemical- and UV-resistant.

Proven Reliable

Firefighter tested and certified to meet NFPA standards.

Only from DEUS Rescue
