# Escape and rescue made quick and simple.

## DEUS® 3300 Tower Escape & Rescue System

When things go wrong 300 feet in the air, the DEUS 3300 gives you a quick, simple way to get down safely. Pocket sized so you carry it with you, the 3300 delivers HANDS FREE operation both stop and go, has quadruple-redundant brakes and speed limiting technology to guard against free fall and operates in both directions without re-rigging. Plus, rope replacement is simple, accommodating both training and work. The DEUS 3300 is available in complete escape and rescue kits to support a wide range of uses. Nothing is faster, easier, safer or more versatile.
